

THE NICHOLAS WIHLBORG FOUNDATION

Dear Potential Sponsor:

The Nicholas Wihlborg Foundation will be hosting its Annual Golf Outing on Thursday, August 22, 2019 at Ballyowen Golf Club, in Hamburg, NJ. Proceeds will help provide assistance to local individuals and families affected by pediatric cancer in Nicholas's memory. Last year we were able to sponsor ANOTHER Make-A-Wish trip for a local child who was battling cancer. Our organization is still partnered with Dr. David Teachey of The Children's Hospital of Philadelphia (CHOP) who is working with his team on a cure for T-Cell Leukemia. We have setup a fund with CHOP so that all monies we donate as a foundation to CHOP go directly to research. We still actively support the Valerie Center of Morristown with donations of items for the patients throughout the year and around the holidays. This year our goal from the outing is to donate to our pediatric cancer research fund, sponsor another Make-A-Wish trip all while continuing to assist those in need within our local community. As you can see because of the generous support of businesses like yours and many individuals, we are able to help so many more people and families who are affected by this horrible disease.

Please help us make this event a success by becoming an outing sponsor. The back of this letter lists the many exciting golf outing sponsorship opportunities that are available. Each one is a great way to showcase your business and get your name out to the community. If you would like to become a sponsor, please complete the information on the back of this page and send it along with a check made payable to "The Nicholas Wihlborg Foundation", to:

Thank you in advance for your support!

Best wishes,
